This will give you an opportunity to hear about the many changes and exciting new opportunities that await our Chapter in the future.

Who is REBI?

REBI is an affiliate of the National Association of Realtors®. Formerly the Council of Real Estate Brokerage Managers, the organizational name change was approved in May 2015 to better reflect how our business has evolved. This has included expanding our portfolio of offerings to the REALTOR® community. The outstanding credentials are rooted in exceptional learning experiences with practical course content to improve your business operations, impact profitability and raise the bar on professional development – whether or not you are an agent, broker, manager, or team leader.
